

# Liturgical Furnishings Annual Priest Convocation

Archdiocese of Boston

## profile

The Jones Payne Group provided design and fabrication oversight services for the altar and ambo to be used at the 2002 annual convocation held at the Park Plaza Hotel. The design concept for the furniture coordinates with the Chapel at St. William's Hall on the Chancery Grounds in Brighton, MA. The Chapel, as part of the Archdiocesan Retreat Center currently scheduled for renovation, is used by various groups and ministries through-out the year. The new Altar and ambo will be placed in the Chapel after the Convocation is concluded.
